**NO LAW ENFORCEMENT SIGNOFF NEEDED!**

Many of my customers are avoiding the need for a law enforcement signoff, fingerprints, and photos by purchasing through a corporation, trust, or LLC – this process has other advantages as well – please visit my website or ask me how you can take advantage of this. **YOU CAN LEGALLY PURCHASE A CLASS 3 FIREARM** (silencer/suppressor, machine gun, short barreled rifle, short barreled shotgun) without having to get a law enforcement signoff, without having to submit fingerprints and photos – for no additional cost, and in less time than if you purchased as an individual. Completely legal according to Federal & Mississippi law!

**You DO NOT** have to have a special license or a Class 3 FFL to legally purchase and own a class 3 firearm (silencer, machine gun, etc) in Mississippi!
